***SAH in Paris XXIV  
European Meeting February 7, 2016  
at the Automobile Club de France***

After a one-year absence from our traditional venue in the City of Light, we're pleased to announce that the Society's European Meeting will return to the historic Automobile Club de France, the world's oldest motoring organization.

Our 24th gathering in Paris will take place on **Thursday, February 7, 2019** at the Club headquarters on the Place de la Concorde. This is the evening of the second day of Rétromobile, Europe's largest indoor historic car event. **We are pleased to have negotiated a lower prix fixe for the dinner, €95.00 (currently about \$108.00 US), including beverages.** Dinner will be served at 8:00 PM Central European Time, but come earlier for networking and meeting old friends over drinks. A number of SAH awards will also be presented.

Space is limited, so make your reservations now by contacting our French organizer *Laurent Friry* ([laurent.friry@gmail.com](mailto:laurent.friry@gmail.com)), *Peter Moss* in the United Kingdom ([peter.moss12@btinternet.com](mailto:peter.moss12@btinternet.com)) or *Kit Foster* in the USA ([kit@kitfoster.com](mailto:kit@kitfoster.com)). Payment is best made via **PayPal** to Laurent at his email address-use the "Friends and Family" option for the best currency exchange. Please email him for other arrangements.

The **Automobile Club de France** is located at 6 Place de la Concorde, Paris 75008, Metro station Concorde on Ligne 12. Rétromobile takes place at Paris Expo, Porte de Versailles from February 6th to 10th. Paris Expo is also easily accessed via Metro Ligne 12.

## **Membership Matters**

***IF you have not renewed your membership, did you know you could renew your membership right on line?***

Just go to the SAH's website:

**autohistory.org** - or, to get to the renewal page quickly, just [click here](#).

As a reminder, the SAH has recently introduced digital membership at the annual dues rate of \$20. A digital member has all SAH member rights and privileges, but all media and communication is delivered (via these emails sent via "Constant Contact") and available electronically via the SAH website, again at: **autohistory.org**.

Please note: while regular annual membership dues for North America (U.S. / Canada / Mexico) remains at \$50, given ever increasing postage expenses, annual "Overseas" membership (all territories beyond U.S. / Canada / Mexico) has been set at \$60.

Like all members, digital members have full access to the "members only" section of the website, which includes all the past issues of the SAH Journal and the Automotive History Review. From time-to-time, the SAH produces a printed member directory- while digital members will not receive a printed copy, the website has a member directory with full search capabilities. If digital members wish to purchase a directory as well as issues of other SAH publications, they are available at their given price plus postage.

New Member Benefits (Publisher Discounts!): we are pleased to announce that our members can now purchase books from Veloce Publishers (see: [veloce.co.uk](http://veloce.co.uk)) at a 35% discount, and books from Racemaker Press (see: [racemaker.com](http://racemaker.com)) at a 15% discount. Just use your SAH member number when ordering. Recognizing that our members are car and book enthusiasts, we will try to add more publishers to this list.

Website Benefits: all members are entitled to access the "members only" section of the SAH website: [autohistory.org](http://autohistory.org). There, you will find portals to access all the issues of the SAH Journal and the Automotive History Review as well as other features, like the photos and images library; and the website will continue to expand its features and benefits.
