## SAH AWARDS COMMITTEE – POLICIES & PROCEDURES

### **Purpose**

The Awards Committee serves as a central contact and clearing house for award nominations, Award Panel Chairs and Award Panel business, and provides guidance for each Award Panel to develop their policies and procedures. Per Article IX of the SAH Bylaws, the members of the Award Committee are appointed by the President for two-year terms and shall consist of a Chair and at least two other members. The Committee members may serve an unlimited number of terms.

Per Article IX of the SAH Bylaws, the Awards Committee in turn establishes an Award Panel for each award bestowed and appoints at least three members for each Award Panel, to serve two-year terms. Award Panelists may serve an unlimited number of terms.

### **Call for Nominations**

A call for award nominations will be made after November 1 of each year and will be published in the *SAH Journal*, on the SAH website and by SAH email distributions. The call can also be submitted to appropriate automotive publications, websites, and organizations. Reminders for nominations will be sent at least bi-monthly, until the nominations due dates.

### **Eligibility**

Nomination for categories with release dates (Benz, Cugnot, Ingersoll, Scharchburg) will consider works produced in the previous calendar year (i.e., the 2022 awards will be for works produced from January 1 - December 31, 2021). Categories without a release date (Bradley and Friend of Automotive History), that recognize long-term contributions by an individual or institution, are not limited by time frame.

## **Submission**

Nominations for all awards will be sent to a single Awards Committee email address: [sahawards@gmail.com](mailto:sahawards@gmail.com). This email account will be monitored by the President, or a designee of the President, and the Awards Committee leadership.

Nominations must include the following information:

- Award category
- Publication, institution, or person being nominated
- Individual making nomination
- One or two lines outlining reason for nomination

Nomination due dates will be universal with the exception of the Cugnot LOE and the Scharchburg.

- Cugnot LOE Award nominations are due June 15 of each year to accommodate international shipping and communication.
- Scharchburg Award nominations are due June 15 of each year to coincide with the current academic year.
- All other Award nominations are due April 15 of each year.

SAH membership is not a requirement to submit a nomination; nominations will be accepted from members and non-members alike.

All nomination emails and follow up emails received at [sahawards@gmail.com](mailto:sahawards@gmail.com) will be promptly forwarded to the appropriate Award Panel Chair for their review and action. The activity in this email account will be preserved in organized email folders for easy future reference.

The Award Panel Chairs will obtain the physical or digital materials necessary from the nominated or nominating parties. Any book submitted for Cugnot Award consideration, both English and LOE, becomes the property of the SAH, whether the nominated book wins an award or not. After the awards are made, all nominated and awarded books are sent to Auburn, Indiana for custodial care in The Society of Automotive Historians Special Reference Collection at the Auburn Cord Duesenberg Automobile Museum (ACDAM). This collection is available for onsite use by SAH members and by ACDAM members and ACDAM visitors, following reading room protocols established by the ACDAM. A Memorandum of Understanding is in place, between the SAH and the ACDAM, detailing their relationship and the custodial care of the SAH book collection.

## **Decision**

The determination of SAH award winners is the responsibility of the individual Award Panels. The Panels may choose to select more than one winner or may refrain from selecting any winner during any given year. Prior to the public announcement of the winners, the Award Panel Chairs and/or the President will notify all nominees of the award decisions, winners and non-winners alike, by an emailed or mailed announcement letter.
